

HOTEvents at Global Entrepolis @ Singapore 2004

To ensure that delegates and participants maximize their investment at GES 2004, a series of networking and business matching activities will be available pre and during GES 2004: From a personalized web portal to enable delegates to contact potential business partners prior to the event, a series of evening sessions, to elevator pitches and one on one meetings, the week long GES 2004 will sizzle with HOTEvents.

FIND PARTNERS AT GES2004

Business Partner Matching Portal

Make appointments ahead of Time

To maximize networking opportunities at GES 2004, the Business Partner Matching Portal, an online application, will allow delegates access to contact fellow participants with matching business and investment interests prior to the event. This will enable face to face meetings to be set up during GES 2004

Delegates to any conference and exhibitors are entitled to sign up for this service free of charge

Once you officially sign up as a delegate to any conference at GES 2004 or as an exhibitor, an email will invite you to register for this service. Once registered, you will be able to access this service and start making appointments!
